"Round" Style
(Approximate Full Size Drawing)

Wooden Specs come in a number of styles and woods and with various finishes/design elements.
Shown on Front: "Round" style in cherry wood with black milk paint, distressing.

IMPORTANT: These boxes should measure 6 inches (15.24 cm) wide after printing. If they measure less than 6 inches wide, then you need to uncheck the "Fit" or "Shrink Oversize Pages" option in the print dialog when you print the file. Any questions, please contact us!
